Carved on the head stone of Mrs. Laughlin Bethune are the words:
 "Underneath this stone doth lie
 As much virtue as could die.
 Which when alive, did vigor give
 To as much vertue as could live.

Note--in Moravian cemeteries-- Young children are buried in one section.

Men are buried in another section

Women buried in a section set apart for women--only.

This form of burial makes it sometimes quite difficult to place a husband and wife--unless the inscription on the stones give the name of the wife or husband.

The Church records are to be found in the Archives of Friedberg Church--on file at Salem College--Winston-Salem N.C.

Compiled by Mrs. J.S. Welborn --1934.

Davidson County N.C. was formed 1822 from Rowan County.
 Rowan County was formed from Anson County 1753
 Stokes County was formed from Surry County 1796
 Surry County was formed from Rowan County 1770.
